

LASRI ABDERRAHMANE

Seeking a professional opportunity to leverage my skills in mechatronics, electrical engineering, and industrial automation.

Rigorous – Motivated – Adaptable – Hands-on – Team Player – Problem Solver

📞 26, single 📞 +33 765617058 ✉️ abderrahmanelasri9@gmail.com 📄 Driving Licence B 📍 Compiègne, France

EDUCATION

State Engineering Diploma (Double Degree)

Mechatronics, Actuators, Robotisation and Systems
University of Technology of Compiègne (UTC)

📅 Nov. 2025
Sept. 2022
📍 Compiègne, France

State Engineering Diploma

Electrical Energy and Digital industry
National School of Arts and Crafts (ENSAM)

📅 July. 2022
Sept. 2020
📍 Rabat, Morocco

University Diploma of Technology (DUT)

Electrical Engineering
Higher School of Technology

📅 July. 2020
Sept. 2018
📍 Agadir, Morocco

Technical Bacculaureate

Electrical Sciences and Technologies
Technical High School Al-Idrissi

📅 July. 2018
Sept. 2016
📍 Agadir, Morocco

PROFESSIONAL EXPERIENCE

Internship

Defpta Group (Defpta Essomes)

📅 Feb – Jul. 2024
📍 Essomes, France

Improved a production line by automating a conveyor system.

Internship

Gegatronic

📅 Jul - Aug. 2021
📍 Ait Melloul, Morocco

Designing and building an intelligent greenhouse (IOT).

Internship

Pprime SARL

📅 Jul. 2020
📍 Agadir, Morocco

Automation of a lifting system.

Internship

Marsa Maroc

📅 Aug. 2019
📍 Agadir, Morocco

Repair of electrical kennels at the Agadir commercial port.

Internship

Ramsa Maroc

📅 Jul. 2019
📍 Agadir, Morocco

Wiring of electrical cabinets.

ACADEMIC PROJECT

Final Year Project (6 months) – EST, Morocco

Electrification of a pumping station under stress

Sized submersible pumps and selected electrical equipment.

SKILLS

Automation, Electrical Systems & Diagnostics:

TIA Portal / STEP 7 / WinCC / SEE Electrical / WinRelais / IV2-IV3 Navigator / ZelioSoft2 / Industrial sensors / On-site diagnostics / Fault detection & troubleshooting / Commissioning support

Project Coordination & Tools

MS Office / GanttProject / Jira / Scrum / Kanban

Engineering Tools & IDEs

MATLAB-Simulink / MPLAB / Eclipse / Arduino (prototyping, testing, validation) / Proteus ISIS

Additional Technical Skills

CATIA V5 / C / Embedded systems (PIC16F84, 68HC12)

OTHER ACTIVITIES

FABLAB Association (UTC, France)

Building a measuring device

Built prototyped measurement of a heart rate monitor using an Arduino board.

UTC Event (UTC, France)

Guide at the UTC event

Active membre in the event.

Electrical Engineering Club (ENSAM, Morocco)

Prototyping

Prototyping using Arduino.

ENACTUS Club (EST, Morocco)

Event organization

As a club membre. I contributed to the succes of the organization of « Glissa sans Cravate » Event.

LANGUAGES

French : C2
English : C1
Arabic / Tamazight : Native language

INTERESTS

Soccer, Travelling, Reading.
